

**Curriculum Vitae**

**Business Address:** CORE Orthopaedic Medical Center, P.C.  
332 Santa Fe Drive, Suite 110  
Encinitas, CA 92024  
Phone: (760) 943-6700  
Fax: (760) 632-4292

**Date of Birth:** January 10, 1974  
Los Angeles, California

**Education:** University of California, Berkeley  
Berkeley, CA  
B.A. Integrative Biology, 1996

Ross University School of Medicine  
Edison, NJ  
2001

Northeastern Ohio Universities College of Medicine  
Rootstown, OH  
M.D. Degree, 2003

**Internship:** Orthopaedic Surgery Internship – Harbor – UCLA  
Torrance, CA, June 2003 – May 2004

**Residency:** Orthopaedic Surgery – Harbor – UCLA  
Torrance, CA, June 2004 – June 2008

**Fellowship:** Spine Surgery – Texas Back Institute  
Plano, TX, August 2008 – July 2009

**Board Certification:** American Board of Orthopaedic Surgery, Part 1  
Board Certified, July 2008

**Licensure:** California, 2005  
Texas, 2003

**Societies:** North American Spine Society  
American Medical Association  
California Medical Association

## Bibliography

### Publications:

1. Glenn, J., Yaker J., Guyer, R: Lumbar Total Disc Arthroplasty as an Option for Patients with Recurrent Herniation. Pending submission 2009.
2. Glenn, J., Guyer, R.: Anterior Lumbar Interbody Fusion. The Spine 6<sup>th</sup> Ed., Rothman-Simeone. Pending print 2009.
3. Glenn, J., Zigler, J.: Adjacent level disease progression after single level lumbar total disc arthroplasty. Pending submission 2009.
4. Glenn, J., Lipton, G., Bowen, R.: Slipped Capital Femoral Epiphysis Syndrome: A Complete Literature Review. Submitted to American Journal of Orthopedics, November 2002.

### Presentations:

1. The Use of Biologics in Spine Fusion. Texas Back Institute Neuroscience Conference, 2008.
2. Glenn, J., Scaduto, A., Bowen, R.: Does size matter? Outcomes of scoliosis correction with variable rod sizes. Ed Dawson Research Day 2008, Shriner's Hospital for Children, Los Angeles.
3. Glenn, J., Hunt, L.: Case Report: Avascular necrosis of a thoracic vertebral body in sickle cell disease. Submitted for presentation NASS 2009.
4. Glenn, J., Yoshida, G.: Cervical Laminoplasty: Long Term Functional Outcomes. Submitted for presentation NASS 2009.
5. Dev, V., King, J., Glenn, J., Shah, D., McBride, A.: Adult Wilms' Tumor: A Case Report and Literature Review. Southeastern Surgical Congress and Kern Medical Center Research Forum 2001.
6. Dev, V., King, J., Glenn, J., Shah, D., Taylor, E.: Acute Intermittent Porphyria Mimicking an Acute Abdomen. Southeastern Surgical Congress and Kern Medical Center Research Forum 2001.
7. Dev, V., King, J., Glenn, J., Shah, D., Irani, H.: Invasive Signet Ring Adenocarcinoma of the Appendix: A Case Report and Literature Review. Southeastern Surgical Congress and Kern Medical Center Research Forum 2001.
8. Dev, V., King, J., Glenn, J., Shah, D., Bloch, J.: The Value of Concomitant Chemotherapy and Surgical Intervention for Disseminated Coccidiomycosis. Southeastern Surgical Congress and Kern Medical Center Research Forum 2001
